Stonegate at Weston receives award

The apartments at Stonegate were converted into condominiums recently.

Stonegate at Weston took home a 2005 Prestigious Results in Sales and Marketing (PRISM) Award yesterday, scoring a gold in the "Best Remodeling - Kitchen under \$50,000" and a silver in the "Best Remodeling/Restoration under \$100,000" categories.

The PRISM awards, presented by the Builders Association of Greater Boston, are the region's largest awards program for the building industry, paying tribute to housing industry professionals for excellence in building, design, sales and marketing.

Boston Residential Group, which owns and manages Stonegate at Weston, recently converted the property from 99 rental homes into luxury condominiums. The Royal Barry Wills colonial and cape-style development sits on a mature landscaped and wooded 25-acre site and features newly renovated townhomes and cape-style homes with detailing, premium finishes and fixtures, G.E. Profile appliances, wood burning fireplaces and blue stone patios.

Located within walking distance of Weston town center, Stonegate units range from 700 to 1,425 square feet and vary from one-bedroom, single-level living to one-, two- and three-bedroom capes on one level as well as two-bedroom townhouses. Two-bedroom units start at under \$500,000.
